SUMMARY OF SERC/CSE MEETING: [REDACTED] reviewed the current situation for [REDACTED]. This meeting is a continuation of a planning meeting (annual review) held last month. [REDACTED] stated a preference of courses and this will be worked out in August when the master schedules are complete. Course requirements should be attainable to assure her graduation in 1995. She is very bright and progress is being shown in her interpersonal skills. The roles of the various support personnel were discussed.

Based on the facts presented, the Committee unanimously agreed to accept the recommendations as outlined below. Present to the Board of Education.
